				cost/fees/charges of PMC as considered in AA&ES of the Mathura CETP project cost. Financial capacity of Rs 1 crore is not justified for this PMC project. We also request you to consider all the turnover which is used for the project planning / consultancy /turnkey base installation of any ETP/CETP for the industries.	
5.	RFP-Clause 2.2.2	No-	Financial Capacity Page- 15	<p>Can be club our two companies (technical team and designing team) together and consider average turnover of 1 crore to qualify as eligible bidder.</p> <p>Please confirm your PMC project cost and we request you to consider the financial capacity equivalent t the project cost/fees/charges of PMC as considered in the Mathura CETP project cost. We also request you to consider all the turnover which is used for the project</p>	<p>The criteria for joint venture has already been given in RFP.</p> <p>For Financial Capacity of the bidder, please refer S.No. 3 of Addendum No.-1</p>
