No.FST-Lit/14/2021(7142704)

Dated: 14 -08-2026

Subject: Monthly Progress Report by States/UTs, pursuant to the Hon'ble NGT Order dated 24.09.2020 in the matter of OA No.673/2018 for the month of April, 2026.

Sir,

With reference to the subject captioned above, I am directed to forward herewith a copy of Monthly Progress Report (as per revised format) in respect of Union Territory of J&K, for the month of April, 2026 for favour of information and further necessary action.

The data in the Monthly Progress Report has been compiled after receiving inputs from the stakeholder Departments viz. Jal Shakti Department, Housing & Urban Development Department, Geology & Mining Department, Department of Rural Development & Panchayati Raj, PCCF & HoFF, J&K and J&K Pollution Control Committee.

Yours faithfully

Encl: As above.

(Ampika Bali)JKAS

Under Secretary to the Government

Copy along with enclosures to the:-

1. Member Secretary, Central Pollution Control Board, New Delhi.
2. Member Secretary, J&K Pollution Control Committee.
3. PS to Financial Commissioner (ACS), Jal Shakti Department.
4. PS to Financial Commissioner (ACS), Mining Department.
5. PS to Commissioner/Secretary to the Government, Housing & Urban Development Department.
6. PS to Secretary to the Government, Department of Rural Development & Panchayati Raj.
7. PS to PCCF & HoFF, J&K.

Revised format for submission of Monthly Progress Report in the NGT Matter OA No. 673 of 2018 (in compliance to Hon'ble NGT Order dated 24.09.2020)

**For the month of April-2026
National Mission for Clean Ganga

XIV	<u>Ground Water Regulation:</u>		The regulation of ground water is mandate of the J&K Water Resources Regulatory Authority under the J&K Water Resource Regulation and Management Act 2010. The Authority while approving new schemes or monitoring existing schemes can bar or cancel exploitation of ground water if it feels that exploitation of ground water is not in accordance with the provisions contained in JKWRRRA Act 2010 & Rules -2011. The Ground water regulation is mandated only when the area to be exploited comes under grey zone or black zone. The macro management of Ground Water is prerogative of Water Resources Regulatory Authority which has power to put an embargo on exploitation of Ground Water Resources, should these borders on grey or black zones. Besides, the Draft Guidelines were prepared by JKWRRRA and circulated among various stakeholders including CGWB and JK utilities. After due deliberations and consultations Draft Guidelines were amended and modified and final draft is under review by the Administrative Department.										
XV	<u>Latest water quality polluted river, its tributaries, drain with flow detail and ground water quality in the catchment of polluted river.</u>		No. of polluted River Stretches in Jammu and Kashmir = 09 a. No. of Polluted River Stretches in Jammu = 05 b. No. of Polluted River Stretches in Srinagar = 04										
XVI	<u>Rain Water Harvesting:</u>		In terms of J&K Unified Building Byelaws, 2021, chapter 10, Clause 10.1 to 10.4 the provision of Rain Water Harvesting is there to be followed by the ULBs in the U.T of J&K.										
XVII	<u>Demarcation of Floodplain and removal of illegal encroachments:</u>		The Revenue details of six flood basins which include Hokersar, Nowgam, Hygam, Narkara Numbal, Anchar and Wullar were forwarded to JKWRRRA for notifying them as flood basins along with extents of flood inundation witnessed in 2014 historic flood through ground										

	truthing and flood expanse boundaries mapped on Google Earth. The same is being examined by the authority as per the Act. The basis wise status is as follows : Hygam & Nowgam Jheel: JKWRRA has recommended to the Government for issuance of notification. However, in a meeting held on 21.02.2025, the Financial Commissioner (ACS) directed the revenue department, (Divisional Commissioner, Kashmir) to look into the matter and expedite the process for notification of Flood Basins of Hygam Jheel and Nowgam Jheel after ground truthing of the revenue details as submitted by the Chief Engineer, Jal Shakti (I&FC) Department, Kashmir. The Divisional Commissioner subsequently took a meeting of the concerned Deputy Commissioners, Economic Reconstruction Agency (ERA) and Jal Shakti (I&FC) Department and passed on necessary instructions in this regard. Narkara Nambal: In order to recommend to the Government to issue orders for declaration of the areas of Narkara Nambal as flood basins, JKWRRA has published the report, so received from the Chief Engineer, Jal Shakti (I&FC) Department, Kashmir (Prescribed Authority) in two leading newspapers of Kashmir, namely "Rising Kashmir" (English Daily) and "Aftab" (Urdu Dally) on 27-07-2025 for information of general public and calling of objections, if any to the proposal. However, no objections were received from the public in this regard so far and JKWRRA has requested Chief Engineer I&FC Kashmir to submit the KMZ and KML files in order to recommend the proposal for declaration of the area as flood basin. Hokersar Jheel: While examining the proposal received from the Chief Engineer, Jal Shakti (I&FC) Department, Kashmir, several discrepancies in the revenue records has been observed and Chief Engineer has been requested to furnish the correct and complete information. The details of rest three namely 1) Left side flood plain from Sangam to Srinagar, 2) Anchar Lake & 3) Wullar Lake are being sought from the concerned Revenue authorities through the office of the Divisional Commissioner Kashmir which too shall be made available to JKWRRA. Moreover, Removal of encroachments is a concurrent process and on the directions of Hon'ble Court in the PIL 02/2014 titled Peer Noor-ul-Haq Vs State & others. The hydraulic study/ Flood plain zoning for river Ujh and Sahar khad in District Kathua has been completed by the Excel Geomatics Pvt. Ltd. The delineation process is in progress. Hydraulic study/Flood Plain regulation of River Tawi and Balole Nallah in Jammu District is being carried out by JTRFP. Draft report has been submitted for comments. After publishing a final report, remaining process shall be initiated.
--	--

		Hydraulic study/ Flood Plain zoning of Chenab and other Rivers/ Nallahs is in process and after completion of Flood Plain zoning, necessary process for delineation/ notification of flood plain zones shall be initiated.				
XVIII	<u>Maintaining minimum environmental flow of River:</u>	There are no storage reservoirs on the River Jhelum and Chenab, so the minimum environmental flow is assured at all times. The department has a regulating structure at Srinagar known as Chattabal Weir, to ensure navigation during lean season in the upstream besides ensuring the eco-flow on upstream without affecting the conditions in the downstream.				
XIX	<u>Plantation activities along the rivers:</u>					
		S. No	Polluted river stretch	No of saplings planted upto March, 2026 (2025-26)	No. of Sapling planted during April, 2026 (2026-27)	Total No. of Sapling planted as on ending April, 2026

XXIII	Status of Preparation of Action Plan by the 13 Coastal States:			Does not pertain to J&K			
XXIV	Regulation of Mining Activities in the State/UT:						
	1	Feasible Geo-referenced Minor Mineral Blocks of all the River Beds/Nallahs were prepared/carved out and put to e-auction through District Level Auction Committee under Chairmanship of Deputy Commissioner. In total 384 minor minerals blocks have been e-auctioned in J&K UT. Out of 384, 376 have been issued in respect of minor mineral blocks to various Project Proponents. Out of 376 issued, 363 Mining Plans have been approved by the Competent Authority. 67 Mining Leases have been granted to various Project proponents in whose favour Environmental Clearance & Consent to Operate have been issued. Moreover, 56 Mining Leases in respect of e-auctioned minor mineral blocks have been operationalized to meet out the construction material requirement of the general public as well as government works such as National Highways, PMGSY Roads, AIIMS etc.		The Department had successfully e-auctioned 387 Mineral Blocks across the UT of J&K during the year 2019-20 and 2020-21, out of which 380 Letter of Intents were issued in favour of the successful bidders. Out of these 380 Blocks, 200 Mining Leases were granted in favour of the successful bidders besides, 08 Mining Lease reserved/granted in favour of J&K Public Sector Undertakings (J&K Minerals Ltd. and JKPCC) after completing all the codal formalities to meet out the key construction material for the requirement of general public as well as Government works viz, National Highways, PMGSY roads, Airport Authority of India, AIIMS, Indian Railways, PWD (R&B), Jammu/Srinagar Ring Road.			
	2	District Survey Reports in respect of all the Districts stands prepared in J&K UT.		Current Status of District Survey Report (DSR) and Replensihment Study Reports of 20 Districts are as under:- 19 Approved, 01 Received back & is under rectification.			
				DSR Approved	District Survey Report (DSR) of these Districts have been	DSR Pending for rectification	Remarks

		Jammu Samba Kathua Doda Kishtwar Udhampur Reasi Ganderbal Baramulla Rajouri Bandipora Shopian Poonch Kulgam Ramban Kupwara Anantnag Budgam Pulwama	approved by the J&K Environment Impact Assessment Authority (JKEIAA)	Srinagar	DSR of said District is with the Department for rectification as recommended by JKEAC
3	A Replenishment studies for updating of District Survey Report has been taken up in various rivers/ nallahs of J&K UT.	JKEIAA in its 100th meeting held on 26.08.2024 has conveyed that:- “Conduct of annual replenishment study by the project proponent as per sustainable sand Mining Guidelines, 2016 and the enforcement & Monitoring Guidelines, 2020 (section (5.0, 5.1 & 5.2) through Geology and Mining Department”. In this regard, the Geology & Mining Department has forwarded approval vide letter No.GM-MNG/67/2024-04 dated 31.07.2025. II. The project proponent(s) shall be responsible for conducting Annual Replenishment studies of their respective River bed Mineral (RBM) Mining Blocks along with buffer zones. I. These studies must be conducted strictly as per the provisions of the sand mining guidelines 2016 and 2020, through NABET-accredited consultants under the supervision of Geologist deployed by the Department. The project proponent has to conduct studies in a time bound manner and intimate the Department in writing regarding the conduct of			

		replenishment studies of the respective blocks so that the team of Geologists shall be deputed accordingly. The consultant's findings/report shall be submitted annually to the Geology & Mining Department, J&K for verification and authentication immediately after completion of the studies conducted in various stages. It is imperative that the projects proponent/lessee is bond to conduct Replenishment studies of their blocks along with buffer zone areas. Accordingly, the department has also issued orders vide Nos. (i) 218 JK-(DGM) of 2025 dated 05.08.2025 (ii) 221 JK-(DGM) of 2025 dated 06.08.2025 for supervising its Replenishment studies to be conducted by NABET accredited consultant of lease holders.
4	Minor mineral blocks in left out/uncovered areas in various rivers/nallahs in J&K UT are being carved out and shall be put to e-auction after seeking NOCs from all Stake Holder Departments as per the guidelines strictly.	During the Year 2023-24 & 2025-26, the Department has successfully e-auctioned 39 more Minor Mineral Blocks in left out/uncovered areas after obtaining the NOCs under Single Window System (SWS) from concerned Stakeholder Departments as per guidelines/Mining Rules envisaged in SRO-105 of 2016 dated 31.03.2016. Besides, the Department have received approval from the Administrative Department (Mining) in respect of 16 Blocks after securing NOCs from stake holding departments (Anantnag=12, Udhampur=01 & Ganderbal=03) to put these Blocks for e-auction and said blocks have been sent to the Chairman E-Auction Committee/Deputy Commissioners concerned for putting these 16 Blocks on e-Auction. 16 Minor Mineral Blocks (12 of Anantnag, 01 of Udhampur and 03 of Ganderbal):- District, Anantnag:- On 7.01.2026 out of 12 Blocks of District Anantnag, e-auction of 08 Blocks were conducted under the Chairmanship of Deputy Commissioner, Anantnag of which only 06 Blocks were e-auctioned successfully and e-auction of remaining 06 blocks shall be conducted by the Chairman Auction committee shortly. However, the recommendations yet to be received from Deputy Commissioner, Anantnag in respect of 06 Blocks e-auctioned successfully on 7.01.2026. District, Udhampur: The e-auction of 01 Blocks of District, Udhampur was conducted on 30.12.2025 and the Bid offered by Highest Bidder was to the tune of Rs. 5.746 Lakhs and this office received letter from the office of Deputy Commissioner, Udhampur/Chairman District Level Auction Committee whereunder, the Auction Committee unanimous opinion that the Financial Quote by the highest bidder (H1) is not competitive and therefore carted formation is apprehended. The Committee as such recommends re-tender with a further recommendation for fixing a minimum competitive base price.

		District, Ganderbal:- In this regard, this office vide letter dated 28.01.2026 & 9.2.2026 requested Deputy Commissioner Ganderbal for conduction of e-Auction in respect of these 03 Blocks. The e-Auction date has been fixed on 24.04.2026. Moreover, the Department has conducted Regular field programmes for Mineral exploration, identification of feasible Minor Mineral Blocks in various Districts of J&K (UT) and thereafter, the carved out/identified blocks sent to the concerned Deputy Commissioners for providing the NOCs of Stakeholder Departments under SWS. As on date, out of 89 Blocks of Minor Minerals, NOCs of 84 blocks have been received by the department under SWS out of which 18 blocks are fit for e-auction (timeline is 1st week of May, 2026) and remaining NOCS of 66 Blocks are under examination/Reserve Bid fixation/rejected and 05 NOCs are pending with the Deputy Commissioner, Baramulla.
5	All Stationary clearances including Environmental Clearance and C.T.O. has been made pre-requisite for grant of any mining lease/ quarry permit/ STP permission.	For the Protection of Environment, the Rule 13 of SRO-105 of 2016 dated 31.3.2016 provides as under:- “Every holder of minor mineral concession shall take all possible precautions for the protection of environment and control of pollution while conducting mining operations in the minor mineral concession area: Provided that before granting Mineral Concession under these rules the Concessionaire shall necessarily submit:- a. Environmental Clearance from the Competent Authority under the relevant Act or rules. b. Consent to establish/operate from J&K Pollution Control Board under Water (Prevention and Control of Pollution Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981”. Provided that no such clearance shall be required in case of Short Terms/Disposal Permit issued to the State Government/Central Government agencies. However, the Geology & Mining Department is following all the guidelines/directions/Orders of Hon’ble NGT, Ministry of Environment Forest & Climate Change and Stakeholder Departments issued from time to time while granting Mineral Concessions.
6	Environmental Audit condition as per the Hon'ble NGT directions has been incorporated in the Mining Lease Deed.	The Department has incorporated in the Form (ML10) Model Form of Mining Lease Deed at Part-VII, the Condition No. 23 and 24 as under:- Yearly Environment Audit: In every lease of Mine of Minerals there will be independent environmental audit at least once in a year by a reputed third party entity and report of such dit shall be placed in public domain.

		4. Re-grassing the mining area- The mining lease holder shall after ceasing their mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora and fauna etc.
7	District Level Task Force Cell has been constituted vide Government order No.1569-GAD of 2018 dated 22.10.2018 to curb the illegal Mining Issues in the district and the rates of Minor Minerals including Sand in all the districts of J&K UT have been fixed by the District Administration of concerned District for regulating the Sale Price of Minor Minerals.	In this regard, it is to submit that the Government/Department has taken following steps to curb the menace of illegal extraction and transportation of minerals in the UT of J&K:- 1. The Government has constituted a “Multi Departmental District Level Task Force Cell” vide G.O No. 1569-GAD of 2018 dated 22-10-2018 under Chairmanship of Deputy Commissioner concerned wherein, the mandate of the Committee is to quantify material extracted on account of illegal mining and imposition of penalties, inspect mining belts w.r.t Title of Land, safeguarding of Ecology and Environment, identification of sites for e-auction, evaluate price/sale of the minerals at pit head etc. 2. The Department has also constituted a <i>Vigilance cum Monitoring Flying Squad/Enforcement team</i> for Jammu/Kashmir Divisions vide order No. 114-JK(DGM) of 2025, dated 01.05.2025 to strengthen the surveillance on illegal extraction and transportation of Minor Minerals in the UT of J&K. 3. The Directorate of Geology & Mining vide Notice No. 92/MCC/DGM/Taskforce/15/5956-59 dated 18.10.2021 have notified <i>Helpline No. for lodging any complaint</i> regarding over charging/cheating in this regard. 4. The Directorate of Geology and Mining vide letter No. 59/MCC/DGM/Circular/15/1350-54 dated 25.02.2026 requested Chief Engineer Jammu/Kashmir Power Distribution Corporation Ltd. to identify any excess consumption indicative of unauthorized/illegal procurement and directions to field offices for furnishing Unit-wise electricity consumption for last 12 months in respect of all Stone Crushers for technical scrutiny and necessary action thereof. 4. The Directorate of Geology and Mining requested vide letter No.59/MCC/DGM/Circular/15/1360-66 dated 25.02.2026 to Sr. Superintendent of Police, Jammu and letter No.59/ MCC/ DGM/ Circular/15/1367-73 dated 25.02.2026 to Deputy Commissioner, Jammu for directions to concerned Officers to sensitize for regular patrolling and Naka checking in Jammu District especially in River Tawi, verification of valid e-challan of vehicles transporting minerals. Besides, constituted a Committee vide No.59/ MCC/ DGM/ Circular/15/1401-1405 dated 25.02.2026 for on spot inspection of Tawi River Downstream 4th Bridge District, Jammu. 5. The above Directorate vide Order No. 59/MCC/DGM/Circular/15/1486-91 dated: 03.03.2026 and No. 1553-57 dated: 06.03.2026 constituted Committees in both the

		Provinces of J&K for checking the menace of Illegal Extraction/Transportation across the UT of J&K. 6. The Government of J&K vide S.O-61 of 2016 dated: 06.03.2026 amended the Rule-84(2) of J&K Minor Mineral Rules, 2016 notified vide SRO-105 of 2016 thereby giving powers to Deputy Commissioners, Addl. Deputy Commissioners and Sub-Divisional Magistrates under Section (4) & (5) of Mines and Minerals (Development & Regulation) Act, 1957 for seizure of illegally extracted or transported minerals along with tools, equipments, machinery, vehicles, and other material used in the commission of such offences.
8	For proper Transportation of Minor Minerals, transportation challans with following security feature have been Introduced recently. - a) Unique Bar Code. b) Unique quick response code. c) Water Mark.	1. In order to bring transparency and ease of doing business, the Department has launched Online Web-portal (e-Challan/e-Market Place) on 24.08.2022 for sale and purchase of minerals online at notified rates for convenience of general public wherein current manual challan replaced with E-challan having secured QR Code, Water Mark, Validity of Challan and Unique Challan No. and Details of vendor/Lessee etc. through which Project Proponents/Mineral Dealer License Holders/Crusher Unit Holders and Short Term Permit/Quarry/Mining Lease Holders shall apply/submit/generate online Form-A for Transportation of Minor Minerals in J&K UT. 2. Further, the Department, for the first time, has developed an Integrated Mining Surveillance System (IMSS) Portal and Mobile Application through Bhaskaracharya Institute for Space Applications and Geo informatics (BISAG) with features of Dashboard integrated with the Departmental e-Challan/e-Market Portal/GPS/Rfid/Public grievance portal. The system is designed to detect suspicious activities (illegal mining) within a radius of 500 meters outside the mining lease boundary. The technology automatically generates alerts ("triggers") for any unauthorized activity or discrepancy, which are simultaneously flagged to the concerned District Mineral Officer, Senior Superintendent of Police, and Deputy Commissioner for necessary verification. As of date, a total of 144 such triggers have been generated and forwarded to the respective officers for field verification, all verified, 24 Illegal activities confirmed Rs. 110.47 Lakhs penalty imposed. 3. For effective transportation of Minerals, the Administrative (Mining) Department vide S.O No. 311 dated 05.12.2025 has made mandatory the installation of GPS enabled vehicle/carrier registered with the Department (with a Unique Rfid number) for transportation of minerals which is in place and till 30.03.2026, 3988 commercial mineral carrying vehicle's enabled with GPS tracking system out of which 3562 vehicle's API under IMSS by BISAG in J&K successfully.

		4. The Department has also initiated on-spot imposition/ realization of penalties on violators involved in illegal mining through Point of Sale (POS) machines on the analogy of Traffic Department.																																
9	The Department has taken up the construction work of several check posts and in process to install Hi-Tech system with CCTVs to monitor the transportation of Minor Minerals including River Bed material in the J&K UT.	The Department has constructed 22 <i>Mineral Check Posts</i> at different entry & exit mineral check points in UT of J&K for monitoring the illegal extraction and transportation of Minerals.																																
10	Wherever the guidelines are violated, the action under section 21(4) and (5) is taken against the violators.	In order to regulate and monitor the illegal transportation of minerals in the UT of J&K, the department has taken action against the illegal mining offenders under Section 21 (4) & (5) of MM(D&R) Act, 1957 and rules made thereunder. Besides, lodging FIRs against the habitual offenders. The year wise detail is as under: <table><tr><th>S. No.</th><th>Year</th><th>No. of vehicles/machineries seized on account of illegal Mining/Transportation of Minerals</th><th>Penalty amount realized (Rs. in Crores)</th></tr><tr><td>1</td><td>2019-20</td><td>1892</td><td>3.05</td></tr><tr><td>2.</td><td>2020-21</td><td>5353</td><td>9.53</td></tr><tr><td>3.</td><td>2021-22</td><td>6131</td><td>16.76</td></tr><tr><td>4.</td><td>2022-23</td><td>6909</td><td>16.34</td></tr><tr><td>5.</td><td>2023-24</td><td>7018</td><td>19.19</td></tr><tr><td>6.</td><td>2024-25</td><td>6219</td><td>16.80</td></tr><tr><td>7.</td><td>2025-26 Upto March 2026 No. of illegal incidents (vehicle/machinery /dumps/on spot fine)</td><td>9409</td><td>20.0029</td></tr></table>	S.
